New Year's Day Ball 2010

New Year's Day Ball (NDB) is divided into four parts: NDB Dance Camp, New Year's Eve Gala, NDB DanceSport and NDB ISTD Latin Symposium, which you can combine to create a dance experience that fits your needs. All events will take place at one location, The Florida Hotel & Conference Center, from December 30, 2009 to January 3, 2010.

NDB Dance Camp (Wednesday, December 30, 2009 – Sunday, January 3, 2010)

For those who want to spend a week learning from the champions! There will be over 100 Rhythm, Smooth, Latin and Standard workshops taught by World Champions in each of the styles. Some of this year's instructors include Elena Grinenko, Rufus Dustin, Gherman Mustuc, Iveta Lukosiute, Oksana Zolotarevskaya, Eulia Baranovsky, Steve Dougherty, Wendi Davies, and Bill Davies. You can personalize the dance camp to meet your needs by picking the topics that interest you; there is no need to pre-register for specific classes. All classes focus on technique and basic principles that can be applied across all levels. There will be some advanced classes open to Open-level and Professional dancers. We will also host evening activities, including a Pool night and our signature "Q&A with the Pros" session.

New Year's Eve Gala (Thursday, December 31, 2009)

For those who want to ring in the New Year with style! The New Year's Eve Gala is a formal Gala featuring a Professional show by Gherman Mustuc and Iveta Lukosiute, current World Professional 10-Dance and US Show Dance Champions. In addition, there will be social dancing, a three-course meal, cash bar and Champagne toast.

NDB DanceSport (Saturday, January 2, 2010)

For those who want an excellent competition experience! NDB DanceSport is a Pro/Am and Amateur competition featuring both American and International style dances from Bronze to Pre-Championship levels.

ISTD Latin Symposium at NDB (Wednesday, December 30, 2009 – Sunday, January 3, 2010)

This intensive 30-hour Symposium taught by Miriam Ellis, Dual Fellow and Examiner, USISTD, will prepare you to take the Student-Teacher and Associate levels of the ISTD Latin examination. Topics that will be covered include detailed analysis of the Man's and the Lady's part of each figure in the Student-Teacher and Associate syllabi for all five dances: Rumba, Cha-Cha, Samba, Paso Doble and Jive. This Symposium is open to professional dancers as well as amateurs.

Enthusiastic dancers can combine NDB Dance Camp with NDB DanceSport for a chance to improve their dancing, and then show off what they learned. Combine NDB Dance Camp with the New Year's Eve Gala for a fun dance vacation. Or attend all three for a social, competitive and educational experience!
